A voyage to Antarctica reveals a - Canadian Geographic

British explorer Ernest Shackleton went to the continent three times on epic journeys - the most famous was in 1916 when he attempted to cross Antarctica from coast to coast via the South Pole. He had to abandon the mission after a catastrophic shipwreck, but the tale of his crew's survival against the odds has become legendary in itself.

How to prepare for a perfect voyage to Antarctica - Lonely

Friday, 5 February 2021 A voyage to Antarctica reveals a continent's-worth of wildlife and ice at the end of the Earth This story was originally published in the November 2017 issue of Canadian Geographic. Antarctica has a way of making you ask, in awe, "How are we here?" but also sometimes, "Should we be here?"
