egoticism.

Alone in Antarctica (Book) | Okanagan Regional Library

But I know that none of my days could approach what Adm. Richard E. Byrd, the American arctic explorer, endured in 1934, when he spent five months alone in a one-room shack in Antarctica, wintering

Alone: The Classic Polar Adventure by Richard Evelyn Byrd

Pretty much everybody on Antarctica lives in cramped quarters — either in tents or in dormitories or on ships. "It's tough not getting any alone time for many weeks at a time," says Dr. Nerida Wilson, an invertebrate marine molecular biologist at the Western Australian Museum, via email.

Alone in Antarctica by Felicity Aston, Paperback | Barnes

Felicity Aston is the first and only woman in the world to ski alone across Antarctica. The 35-year-old British expedition leader, public speaker and freelance travel writer from Kent also led the 2009 Commonwealth Expedition to the South Pole, the first British women's team across Greenland; this became the subject of her first book, *Call of the White*, a finalist in the

Banff Mountain Book Competition in 2011.

Admiral Richard Byrd: Alone in the Antarctic (Sterling

"Alone in Antarctica" is her record of the trek and lays bare her emotions as she trudged through the hostile and sometimes terrifying terrain that constitutes the Antarctic continent. Aston's narrative is a fascinating study of the effects of trekking alone over many weeks, over a hostile terrain in extreme weather conditions, and with no other persons or habitations close by.

Alone in Antarctica: The First Woman To Ski Solo Across

Like Cheryl Strayed's *Wild*, Felicity Aston's *Alone in Antarctica* becomes an inspirational saga of one woman's battle through fear and loneliness as she honestly confronts both the physical challenges of her adventure, as well as her own human vulnerabilities. About *Alone in Antarctica*. In the whirling noise of our advancing technological age, we are seemingly never alone, never out-of-touch with the barrage of electronic data and information.
