Kim Fairley is the author of Shooting Out the Lights: a Memoir which will be published July 27, 2021 by She Writes Press. She is a writer and storyteller and is fascinated by all the ways people tell their stories. Her first book, Boreal Ties: Photographs and Two Diaries of the 1901 Peary Relief Expedition chronicled her great grandfather's expedition to the Arctic.

Kim Fairley Biography | Writer and Author | Ann Arbor

At the National Archives I brought all the Bement pictures (300 plus) and diaries (2) and Kim did the same. We had over 700 pictures between us. After extensive review, I recall Kim looked at me and said, "We have enough to write a book." Thus, Boreal Ties was born. It took a little over two years to put this together with the University of

While I was writing Between Two Worlds, I returned again and again to the stunning photographs in a gorgeous book called Boreal Ties: Photographs and Two Diaries of the 1901 Peary Relief Expedition, edited by Kim Fairley Gillis and Silas Hibbard Ayer III. Its panoramic shots of the towering cliffs and massive ice floes of the Greenland Arctic set me in the mood to write.

In the flood of books that have been published in recent years about the exploration of the Arctic and Antarctic, Boreal Ties is an unremarkable book with a connection to a remarkable Arctic explorer. Boreal Ties, Photographs and Two Diaries of the 1901 Peary Relief Expedition is a compilation of the diaries and photographs of Louis Bement and Clarence Wyckoff, two American business men who in 1901 paid for the privilege to travel north aboard the Erik to resupply Robert Peary.

The photos and journals in Boreal Ties were created, remarkably, by two New York businessmen, Clarence Wyckoff and Louis Bement, who journeyed to the Arctic as what we would call today “adventure tourists.” Robert E. Peary’s ship Windward, carrying among other passenger’s Peary wife and daughter, did not return to America as expected in

Boreal Ties: Part I – Katherine Kirkpatrick

In the season finale we visit Thaidene Nënë, a huge swath of land in the Boreal Forest, and learn how the ʔutsël K’édene First Nation and the Canadian government came together to protect an area that’s vital for birds, Indigenous people, and the health of the entire planet.

Profile - Kim Fairley - The Authors Guild

My first book, Boreal Ties: Photographs and Two Diaries of the 1901 Peary Relief Expedition, began after grad school. I had been creating collages about my great grandfather’s Arctic expedition in 1901 and decided to compile the material that had been handed down in the family.

Boreal Ties: Part II – Katherine Kirkpatrick

Boreal Ties: Photographs and Two Diaries of the 1901 Peary Relief Expedition. In 1899 Robert Peary, exploring northern Greenland in search of the North Pole, lost seven toes to frostbite but refused to cut his exploration short to seek treatment.
