### **Bing: Mawsons Will The Greatest Polar**

This thrilling and almost unbelievable account establishes Mawson in his rightful place as one of the greatest polar explorers and expedition leaders. It is illustrated by a trove of Frank Hurley's famous Antarctic photographs, many never before published in the United States.

### **Mawson's Will: The Greatest Polar Survival Story Ever**

Mawson was an Australian polar explorer who was originally asked to go on Robert Falcon Scott's fatal expedition, but Mawson had different research objectives and so raised money for

his own trip. One by one, his men died. One by one, his dogs died. He survived on willpower alone and it is a fascinating and powerful story.

## **Douglas Mawson - Wikipedia**

Possibly one of the greatest stories of polar survival, along with Shackleton and his men's Endurance expedition. It seems surprising that Sir Douglas Mawson is relatively unheard of. An ambitious programme of exploration and science, the expedition ended with disaster, when Mawson's two colleagues on his trip out failed to return.
